April Meeting Recap

If you missed the April meeting these are two key things we discussed:

- Ordering koozies to use at our booths during Cinco de Mayo and Dies y Seis, as well as at the parades we participate in yearly.
 - Hosting a family picnic at Lion's Park on June 8th

Upcoming Events

Saturday April 13, 8 am - 12 noon: Voter Registration Rally at Mr. Taco. 831 S Colorado St, Lockhart.

Friday April 19, 11 am: at First Baptist Church, 514 Neches St, Lockhart. The Physics Circus is a traveling science show encompassing what we believe to be some of the most important results from classical physics. We aim to show kids some of the cool things you can do with your knowledge of science, which you can't normally see in a classroom. In roughly an hour of thrilling demonstrations, we cover heat, motion, states of matter, properties of air, and electricity. This is a fun event for students of all ages as well as for parents and teachers.

Saturday April 20: Yard Sale, 1201 Plum St, Lockhart. Due to inclement weather we had to reschedule our original date. If you have things to donate please get in contact with Alfredo.

Friday May 3 & Saturday 4: The annual Cinco De Mayo festival on the Lockhart Square. We will have our booth set up and need volunteers to run the Saturday shifts, if you are available please get in contact with Venessa (512-787-0344)

NEXT MEETING - Monday May 6, 7 pm: DCCTX Movie Night @ Lockhart Arts & Craft, 113 N Main St, Lockhart. Bring your friends to this social gathering! The movie will be a surprise, but can you guess what it is? In this classic drama, Washington Post reporters Bob Woodward and Carl Bernstein uncover the details of the Watergate scandal that leads to President Richard Nixon's resignation.

Friday May 13, 7 pm: Art opening at Spellerberg Projects, 103 S Main St, Lockhart. Leading up to the second anniversary of Hurricane Harvey (2017), Spellerberg Projects presents artist Elijah Barrett's photography series, *Rockport*, unfolding along the Gulf Coast in the aftermath of the storm.
